

Office of Regulatory Research Compliance Presents:
**The HIPAA Privacy Rule, Institutional Review
Boards (IRB) and the Research Process**

SPEAKER

Earl B. Ettienne LPD, MBA, RPh

Assistant Professor

Department of Clinical &

Administrative Pharmacy Sciences

WHO SHOULD ATTEND?

HU Faculty, Students, Researchers and Staff, Residents, Post-docs, and Fellows

SCOPE

Dr. Ettienne will discuss the Privacy Rule and the criteria used by the IRB in approving an Authorization, Waiver or Alteration of Informed Consent to use Patient Health Information (PHI). Additionally, he will share his perspectives on PHI-related informed consent requirements contained in the HHS Protection of Human Subjects Regulations.

DATE: Wednesday, April 6, 2016

TIME: 1:00 p.m. – 2:00 p.m.

LOCATION: Seeley G. Mudd Building, Room 3019
520 W St, NW, Washington DC 20059
