

# TRAINING REQUIREMENTS: FACULTY and STUDENT INVESTIGATORS, and RESEARCH STAFF

Modules

Who

CITI ID#

Additional Details

## Conducting any Research - Which responsible conduct of research (RCR) modules must you complete?

<b>Face-To-Face RCR</b>	Required for <b>graduate students</b> and student research assistants on federally funded grants (ALL)		In-person attendance is mandatory
<b>CITI RCR (Discipline specific)</b>	Required: Biomedical (All)	95954	Biomedical Responsible Conduct of Research Course
	Required: Social and Behavioral (All)	95957	Social and Behavioral Responsible Conduct of Research Course
	Required: Physical Science (All)	95958	Physical Science Responsible Conduct of Research Course
	Required: Humanities (All)	95959	Humanities Responsible Conduct of Research Course
	Required: Engineering (All)	95955	Responsible Conduct of Research for Engineers
	Required: Administration (All)	95956	Responsible Conduct of Research for Administrators

## Conducting Human Subject Research (Biomedical) - Which modules must you complete?

<b>Responsible conduct of research</b>	Required	95954	Biomedical Responsible Conduct of Research Course
<b>Conflict of Interest (COI)</b>	Required	95965	See CITI description
<b>Biomedical Research</b>	Required	1289	See CITI description
<b>Information Privacy and Security</b>	Required	117690	IPS for Clinician Scientist
<b>Good Clinical Practice (GCP)</b>	Compete: Only if research involves clinical trials	95943	Good Clinical Practice Course, US FDA Focus
<b>Clinical Research Coordinator (CRC)</b>	Complete: Only by research coordinators on clinical trials	147776	Clinical Research Coordinator's Training
<b>Biosafety and Biosecurity</b>	Complete: Only if human research involves laboratory work	102895	Translational Scientists and Laboratory Staff (if any)
<b>Export Control</b>	Complete: Only if research include international activities	102877	Researchers

## Conducting Human Subject Research (Social and Behavioral) - Which modules must you complete?

<b>Responsible conduct of research</b>	Required	95957	Social and Behavioral Responsible Conduct of Research Course
<b>Conflict of Interest (COI)</b>	Required	95965	
<b>Social/Behavioral Research</b>	Required	1290	See CITI description
<b>Information Privacy and Security</b>	Required	95950	IPS for Researchers
<b>or Information Privacy and Security</b>	Complete: Only if research involve health care records	117690	IPS for Clinician Scientist
<b>Export Control</b>	Complete: Only if research include international activities	102877	Researchers

## Conducting Animal Research - Which modules must you complete?

<b>Responsible conduct of research</b>	Required	95954	Biomedical Responsible Conduct of Research Course
<b>Conflict of Interest (COI)</b>	Required	95965	
<b>Laboratory Animal Research</b>	Required	See CITI	See CITI: Select all that apply
<b>Information Security</b>	Required	95950	IPS for Researchers
<b>Biosafety and Biosecurity</b>	Required	102894	Bench Researchers & Research Staff; Students in Biological Sciences
<b>Export Control</b>	Complete: Only if research include international activities	102877	Researchers
