Groups Modules

All Students Conducting Research

Responsible conduct of research	Required: Biomedical Required: Social and Behavioral Required: Physical Science Required: Humanities Required: Engineering Required: Administration	See CITI See CITI See CITI See CITI See CITI See CITI	Biomedical Responsible Conduct of Research Course Social and Behavioral Responsible Conduct of Research Course Physical Science Responsible Conduct of Research Course Humanities Responsible Conduct of Research Course Responsible Conduct of Research for Engineers Responsible Conduct of Research for Administrators
--	--	--	--

Students Conducting Human Subject Research (Biomedical)

Responsible conduct of research	Required	See CITI	Biomedical Responsible Conduct of Research Course
Conflict of interest	Required	See CITI	See CITI description
Biomedical Research	Required	Group 1	See CITI description
Information Privacy and Security	Required	See CITI	IPS for Clinician Scientist
Good Clinical Practice (GCP)	Complete: Only if research involves clinical trials	See CITI	Good Clinical Practice Course, US FDA Focus
Biosafety and Biosecurity	Complete: Only if human research involves laboratory work	Group 3	Translational Scientists and Laboratory Staff (if any)
Export Control	Complete: Only if research include international activities	Group 1	Researchers

Students Conducting Human Subject Research (Social and Behavioral)

Responsible conduct of research	Required	See CITI	Social and Behavioral Responsible Conduct of Research Course
Conflict of interest	Required	See CITI	
Social/Behavioral Research	Required	Group 2	See CITI description
Information Privacy and Security	Required	See CITI	IPS for Researchers
or Information Privacy and Security	Complete: Only if research involve health care records	See CITI	IPS for Clinician Scientist
Export Control	Complete: Only if research include international activities	Group 1	Researchers

Student Conducting Animal Research

Responsible conduct of research	Required	See CITI	Biomedical Responsible Conduct of Research Course
Conflict of interest	Required	See CITI	
Laboratory Animal Research	Required	See CITI	See CITI: Select all that apply
Information Security	Required	See CITI	IPS for Researchers
Biosafety and Biosecurity	Required	Group 2	Bench Researchers & Research Staff; Students in Biological Sciences
Export Control	Complete: Only if research include international activities	Group 1	Researchers
